## Welcome to Croatia!

Unique in so many ways, Croatia's roots stem from ancient times and its great cultural wealth tells of a turbulent history going back to the Roman era and continuing through the Renaissance, the baroque period and the Ottoman conquests right up to the present day, all of which is exceptionally appealing to all who visit the country. It's then add the rich cultural heritage, the amazing natural beauty which attracts visitors throughout the year, the 8 national parks, 12 nature reserves and the numerous UNESCO world heritage sites, Croatia truly becomes a country of incredible magnetic attraction. Yes, Croatia is all that and so much more. It is the home of the necktie, the parachute, the torpedo, the mechanical pencil, the filament light bulb, the world's fastest electric car and the second oldest film festival in the world, the Dalmatian dog, Marco Polo, one of the oldest cities and parliaments in Europe, the second longest stretch of defensive walls in Europe, the smallest cathedral, the oldest arboretum, and the birthplace of great athletes. And last but by no means least significant than any of this - the 'Croats themselves' - the Croatian people and their kindness are a magnet that keeps drawing tourists back. Sometimes the hospitality of the locals will make you wonder whether you are in your own home or simply - on holiday in Croatia!

**TRAVEL DOCUMENTS FOR ENTERING CROATIA** | ID (EU and EEA citizens and Switzerland) or passport. A visa is necessary for citizens of some third countries. Croatian visa policy can be checked here: <http://mvp.gov.hr/services-for-citizens/consular-information-22802/visas-22807/visas-requirements-overview-22879/22879> Information: Diplomatic missions and consular offices of the Republic of Croatia abroad (<http://mvp.gov.hr/embassies-and-consulates/embassies-of-the-republic-of-croatia-in-the-world/244601>) or the Ministry of Foreign and European Affairs of the Republic of Croatia. Tel.: +385 (01) 4569 964. Web: [www.mvp.hr/en](http://www.mvp.hr/en).

**CURRENCY** | The official currency in Croatia is the euro (1 euro = 100 cents). Foreign currency can be exchanged in banks, exchange offices, post offices and in the majority of tourism information offices, hotels and campsites. Credit cards (Barcard / Mastercard, Visa, American Express and Diners) are accepted in almost all hotels, marinas, restaurants, shops and cash machines.

**HEALTH SERVICES** | Hospitals and clinics are found in all larger towns and cities, while smaller places have outpatient units and pharmacies. Foreign visitors who have compulsory health insurance in other EU countries and EEA (Norway, Iceland and Liechtenstein), Switzerland and United Kingdom of Great Britain and Northern Ireland during their temporary stay in Croatia have the right to basic healthcare on the basis of the European Health Insurance Card (EHIC). Healthcare on the basis of the EHIC is provided in all healthcare institutions and with all MDs that have a regular contact with the Croatian Health Insurance Fund (HZZO). They only bear the cost of participation in cases when Croatian insured persons pay it as well. Tourists that have compulsory insurance in countries which have signed a social security agreement with Croatia regulating the use of healthcare services (Bosnia and Herzegovina, Serbia, Montenegro, FYROM, Turkey) have the right to emergency healthcare during their temporary stay in Croatia. The precondition is that they request from their insurer the certificate of the right to healthcare during their temporary stay in Croatia, before they leave for Croatia. The Croatian Health Insurance Fund (in the place of their stay) will change it into a health insurance certificate. They can benefit from healthcare services on the basis of the aforementioned certificate in contracting healthcare institutions and MDs, and they will only bear the cost of participation in cases when Croatian insured persons pay it as well. Persons coming from third countries (countries are not EU/EEA members, Switzerland and United Kingdom of Great Britain and Northern Ireland and are not contracting countries) bear all healthcare costs in Croatia themselves.
